

Provider Communication

Subject: Duplicate Claims to be Voided	Priority: High
Date: May 23, 2005	Message ID: ACSBNR05232005_2

Dear Provider,

During the last week of April 2005 approximately 2,800 claims were retransmitted and paid in error. If you were affected by this retransmission, you would have seen duplicate payments or claims paid in error on the May 2, 2005 remittance advice. ACS is in the process of voiding these 2,800 claims and the voids should appear on the May 31, 2005 remittance advice. Should you have any questions, please contact the CIC at 404-298-1228 (metro Atlanta) or 800-766-1456 (toll free).
